

Infection Prevention at Your Fingertips

Get fast facts and timely infection prevention updates over your phone, wherever you are.

Text "ORIPC" to 59309

To receive Project Firstline text updates from the Advancing Infection Control Capacity & Education (ACE): Coaching to Certification team.

Closed caption translation available on select materials.

Comagine Health and the Oregon Health Authority Healthcare Associated Infections program are offering a free learning and certification series with access to Project Firstline resources. Project Firstline is CDC's national training collaborative for health care infection control and resources are designed with the busy health care worker in mind.
